Men's Doubles 4.0

Champions: Brett Otero/JJ Nathan

Finalists: Vince Sbarra/Mario Olivero

Final standings are determined, per the RULES of FLEX:

Local standings are determined by most matches won, then head to head results. If a double round robin is used, or head to head is tied for other reasons, then sets won, sets lost, games won, games lost are considered in order until the tie is broken.

Locally also, those who did not play a majority of their scheduled matches are not eligible in the final standings.
