

Montgomery County USTA Flex League is **FUN and FLEXIBLE!**

**2018 Spring Registration closes March
19th, play begins March 23rd thru May 13th**

1. THREE SEASONS: Spring, Summer and Fall, Men's and Women's 2.5 – 4.5 levels.
2. We provide you with a weekly suggested "play by date" schedule a few days after registration closes, but **you and your opponent decide WHEN and WHERE you play.**
3. **You can play the week 5 match the first week, or you can play 2 matches (or more) in a week, or none.** *You just need to complete the matches by the end of the season.*
4. The **number of matches/weeks in a schedule depends on the number of players/teams who register** for your flight level, but we typically schedule between 4-7 matches in a season.
5. **You can use a SUB** when you need to because of travel, injury, or whatever. You don't need to tell us UNLESS you are replacing yourself with a "permanent sub."
6. **You don't have to be a USTA member to play FLEX**, but you do get discounted registration (Tennis Magazine, and more than half of your membership comes back to your community in grants, scholarships, programs, etc.)
7. **You can select the NTRP rating level you wish to play**, even if you have a current USTA rating. You can play UP and you can play DOWN as long as play is competitive for all.
8. **Your Flex matches NEVER calculate in your USTA rating.**
