

TENNIS DRESS CODE REMINDER

- **BEFORE ENTERING A TENNIS COURT** proper tennis attire is required for both indoor and outdoor play. Members are responsible for their guests' compliance.
- Footwear must be flat-soled, non-marking and tennis approved.
- Men and boys must wear approved tennis attire, including appropriate shorts, shirts and warm-ups. Shorts may not be basketball, soccer or cargo in style. They must be tennis shorts with pockets. Tennis t-shirts are acceptable.
- Women and girls must wear a tennis dress, tennis skirt or tennis shorts. An appropriate tennis shirt, with or without sleeves, is required. **Leggings are to be worn under a dress, skirt or shorts.**
- Writing on all attire must adhere to the following: There are no restrictions regarding the size of words or manufacturer logos if the words "Tennis" or "Woodmont" are included. **Otherwise, words and manufacturer logos cannot be larger than 2" x 2"** (not even the Nike swoosh). This includes shorts, shirts, skirts and all warm-ups.
- The changing of shirts on the tennis courts is not permitted. This should only occur in the locker facilities.
- We also only allow water in closed containers on the courts. We have cold water bottles as well as a water filter system that are available for their use.
